You Can TOO.

DIGITAL LEARNING

Skills Today. A Brighter Tomorrow.

Who We Are

You Can TOO. Digital Learning is a Florida nonprofit organization helping people across Central Florida who feel left behind by technology develop practical digital skills through patient, hands-on instruction.

What We Offer

- Free community workshops on everyday technology, online safety, and scam prevention.
- Patient, hands-on help with phones, tablets, and computers.
- Our classes are free, made possible by generous donors and community supporters.

Volunteer

- Volunteers are welcome to help teach or support our workshops.
- Student volunteers earn verified community service hours, including Florida Bright Futures hours.
